

# Legendary Lead

**I**n the highest reaches of South Dakota's fabled Black Hills stands the historic mining town of Lead. Outdoor enthusiasts discover outstanding hiking, mountain biking, cross-country and downhill skiing, snowmobiling and some of the most stunning scenery in America.

Elegant Victorian mansions, quaint miner's homes and old-fashioned brick storefronts mingle in this mile-high community with an historic Opera House, museums, mining tours, visitor centers and outdoor recreation opportunities as plentiful as the pines of the surrounding Black Hills. Join us in Legendary Lead. ■

Legendary Lead boasts of a golden past.

Tunnel into the history of gold mining, relax at a charming bed & breakfast or savor a tasty meal.
